<p>914 AOB</p> <p>Mr Featherstone had received a letter from Sara Wales regarding the distress she had had once again due to the possible problems with poor drainage in Brookside. As her house is the lowest it is the most prone to flooding as the water in the brook rises during heavy rain. Ms Wales was seeking the support of the PC to add what pressure it could to Atkins so that they would fully investigate and take action upon any problems encountered regarding the drains on Brookside. Mr Featherstone said that he would contact Mr Trevor Gray at Atkins and add support to try and get things moving sooner rather than later.</p>
